Annual reports/photographs by and of the various groups and events of 2014 should be prepared **over the next week**. The photographs add a lot to our message. Photos must have captions stating the event, the date, the location and (where practical) the names of the persons shown.

Calling visionaries -- Bishop Edwards has called a "vision" diocesan synod for 2015. Its purpose is to move collectively towards a new vision for the diocese, particularly in how ministerial gifts (lay and ordained, paid and volunteer) are to be shared, within parishes and among parishes. It will be a **1-day Saturday synod, probably in November**. (The thought is to have a further, "action" synod in 2016.) The reason the 2015 synod is to be confined to a Saturday is so that parishes can more freely send delegates who have regular employment during the work week.
