Ernest Clarke Retrospective, 1949-2016 Parishioners who suppose that Ernest's main contribution to culture is making picture frames for Nancy

may be interested to learn that the Craig Gallery at the Chestnut Library (Hartland) is hosting a retrospective of Ernest's own work, running from 20 September to 30 October. **The formal opening reception (oatcakes!) is next Saturday, 24 September, 1pm.** It surveys the whole range of Ernest's oeuvre, from boyhood to today: **paintings, carvings, painted carvings, carved paintings, toys, pottery and historical illustrations.** Even those aware that Ernest dabbles in art may be unaware that he is the author of a renowned book on the American Revolution, published by McGill-Queen's University Press. It was an award winner from both the Canadian and the American Historical Associations. All this.. and wonderful oatcakes.

Thanks to those who helped with and supported the **Brookwood fundraiser** at St Luke's last Saturday.

When writing a will, do not leave money to a specific congregation as individual congregations are not incorporated. The way to handle it is to leave money to the parish *for the purpose of* supporting a particular congregation or house of worship, if that is what you want. For Camp Brookwood, you would leave money to the Diocesan Synod of Fredericton *for the use of* Camp Brookwood.
