2 June 2016

It really isn't about the money. It's about transforming myself and learning to accept and to trust God completely, absolutely and unreservedly. I'm not quite there yet but I'm working on it. I use e-giving to avoid the temptation of those little envelopes, and I recently made a small increase in my contribution yet again.

When writing a will, do not leave money to a specific congregation as individual congregations are not incorporated. The way to handle it is to leave money to the parish *for the purpose of* supporting a particular congregation or house of worship, if that is what you want. For Camp Brookwood, you would leave money to the Diocesan Synod of Fredericton *for the use of* Camp Brookwood.
