**Archdeacon Black** has given the Vestry notice of retirement, effective 31 December.

Rarely does the parish vestry make life and death decisions but that was on the agenda at the most recent meeting. The vestry has decided to make a substantial contribution to Archbishop Edwards' appeal to fund a **mobile medical clinic in our companion diocese of Ho in Ghana** (see September's NB Anglican). Through the magic of more-than-matching funds from the district Rotary Clubs and hopefully Rotary International, the Richmond contribution will give a big boost to a fund that is already more than half way to its goal. If you want to add your own two mites to the Ho Clinic Appeal (as a number of parishioners have) just mark your envelope accordingly.

Remember that there's a convenient way to get a cheery greeting to **someone stuck in hospital**. The hospital will deliver it. Check out: <https://en.horizonnb.ca/home/facilities-and-services/services/other-services/send-a-message-to-a-patient.aspx>

The parish has received **many bequests** over the years, without the interest on which we could not make it financially. When remembering the parish in your own will, do not leave money to a specific congregation as individual congregations are not incorporated. The way to handle it is to leave money to the parish *for the purpose of supporting a particular congregation or house of worship*, if that is what you want. For Camp Brookwood, you would leave money to the Diocesan Synod of Fredericton *for the use of Camp Brookwood*.

To add a name (with permission) to the parish prayer list, speak to **Pat Margison** (328-8146) or **Wendell Parkinson** (325-9519).
