To **add/delete a name** to the parish prayer list, speak to Pat Margison (328-8146) or Wendell Parkinson (325-9519).

**Quite a few parishioners** are staying close to home from health considerations or as care-givers. Let us remember them faithfully by stopping by or telephoning or even sending a card just to let shut-ins know we care about their well-being.

Remember that there’s a convenient way to get a cheery greeting to **someone in hospital**. The hospital will deliver it. Check out: <https://en.horizonnb.ca/home/facilities-and-services/services/other-services/send-a-message-to-a-patient.aspx>

Please continue to **remember the Food Bank** when you shop. Particularly needed are canned tomatoes, vegetables and soups, and tuna, ham etc suitable for children’s lunches.

Have you checked out the parish Facebook page this week? <https://www.facebook.com/parishofrichmond/> some lovely autumn photos of **Camp Brookwood**

Congratulations **Jack & Carolyn Parkinson** on the recent birth of twin great grandchildren.

Because of the health situation, tonight's **Vestry** meeting is deferred until November.

**Covid** -- The province's emergency declaration requires all people (infants excepted) attending public worship to remain masked. Sunday attenders at **St Mark's** and **Holy Trinity** must be double vaccinated (children under 12 excepted). At **St John's**, attenders must remain socially distanced and refrain from singing.

Last week the Fredericton Christian Forum sponsored a brilliant and moving presentation by Alan Sears on **religious and personal freedoms in the Covid crisis**. It would be interesting to anyone, better and better as it goes on. The suggestion is to start listening at minute 44:

Bishop Edwards sends a Thanksgiving message from his parents' home in England: <https://www.youtube.com/watch?v=u-KOL0mfqJc>

Attached to this email are some lovely photographs from Thanksgiving Sunday. Can you detect where they were taken?

August's **Blessing of the Animals** service continues to resonate. October's **NB Anglican** is full of photos, including the entire front page. If you don't receive the paper version,

the entire monthly edition can be viewed at <https://nb.anglican.ca/nb-anglican/issues> Down at the foot of the same page is a link to subscribe.

Plants! October is the most important month of the year in the perennial garden. If you are interested in scented **lilies**, **daylilies** (which are not lilies at all) and/or purple **cone flowers** (attractive to butterflies), write [dbell@unb.ca](mailto:dbell@unb.ca) Photos are available if you want to check colour/size.

In 2021 Richmond parishioners have been able to give over \$6000 to answer calls to support the **Primate's World Relief and Development Fund**. Please continue to give generously as the PWRDF reaches out in urgent situations.

Please consider benefitting the "Corporation of the Anglican Parish of Richmond" **in your will**, like the recent **Bobby Carpenter bequest**. The parish has received many bequests over the years, without the interest on which we could not make it financially.
