Who do you know in hospital? There's a convenient way to get a cheery greeting to the hospitalized. The hospital delivers it. Parishioners receiving these notes have mentioned how important they are. Check out: <https://horizonnb.ca/patients-visitors/send-a-message-to-a-patient/>

Please continue to **remember the Food Bank** when you shop. Particularly needed are canned tomatoes, vegetables and soups, and tuna, ham etc suitable for children's lunches. They also appreciate money donations to their **turkey fund**.

A word from the Parish Librarian ~ I was processing some new and new-to-us books recently and thinking not only of the **wonderful selection of books we have**, but of the generosity of so many over the years who have donated books. Thank you so much for your kind, thoughtful, and giving hearts. There is a fount of knowledge contained on our shelves. **If you should ever want to spend time looking over the library, feel free to contact me** and I would be happy to have the library open for you. A thought: "A book is a gift you can open again and again". In this Christmas season may we be reminded of the beauty and love of the One who is Christmas. ... *Marilyn MacDonald*
