As we have come to expect, but must not take for granted, the **Primate's World Relief and Development Fund** is already responding to the **Ukrainian refugee crisis**. To make a donation to this response, [click here](#), or go to pwrdf.org/give-today and click on Response in Ukraine. You may also donate by phone at 416-822-9083 or leave a voicemail toll-free at 1-866-308-7973 and

*we will return your call, or mail your cheque to PWRDF, 80 Hayden, 3rd floor, Toronto, Ontario, M4Y 3G2. Please mark **Ukraine** in the memo field.*

Unofficially we hear that **Vestry** is to meet tonight at Holy Trinity, 7 pm.

Next Tuesday, being the summer solstice, is Canada's **Indigenous Day of Prayer**. See

Brookwood! After being closed for the past two years, Camp Brookwood will be open this summer to welcome past and new campers. A really low **welcome back camp fee of \$100** per week is being offered for this summer's camps. If you know of someone who might be interested in attending, check out the camp schedule on the website www.campbrookwood.ca. Camp applications available on the website in the Schedule section. This will be a very exciting year for Brookwood and we're looking forward to a great summer!

- Brookwood continues to welcome **financial donations** through the parish to help with sponsorship and day-to-day operations.
- It is looking for help to **saw a load of wood** that was generously donated for campfires. If you can help, please reach out to Emily or Morgan at the camp at 392-6401.
- There is a need for **weekly lawn mowing**. If you know of someone who might be interested in this project, please reach out to Mary Lee Phillips or **Ken Tompkins**. Mowing needs to be done on Saturdays, when no campers are present. (The camp has a ride-on mower and provides the gas.)

Those who paid attention to the trucker **siege of Ottawa** will know that one of its leaders - thought so dangerous that he is still denied bail - was Pat King, and they will be wondering whether this was the same **Patrick King** who acted as musician in residence for the first several years of the **St Mark's summer services**. It appears that it was not. For quite a while "our" Patrick has been manager of ticketing and membership at the far-famed Stratford Festival in Ontario. He also teaches French horn

privately: <https://stratfordmusicteachers.ca/peck-productions/> His is not the sort of horn honking that featured in the Ottawa protest.

Which parishes will survive? This month's **Anglican Journal** discusses the pandemic crisis in relation to church finance. Here's an excerpt: "Peter Misiaszek, Director of Stewardship for the Diocese of Toronto says he has seen the need for online giving first-hand. "Looking at the data, it's clear there's a **strong correlation between parish financial health and the number of donors using electronic giving methods,**" he says. Given the number of parishes that have succeeded in promoting online giving, that has been good news. Before the pandemic, just three parishes in the diocese of Toronto received at least 70 per cent of their donations online. Now 26 per cent do."

RICHMOND NEXT SUNDAY

- Morning Prayer at **St Mark's & Holy Trinity** (9 am) and at **St John's** (11 am)
