The US government has ended most of its foreign aid to crises and development projects around the world. In response **Alongside Hope** (better known as Primate's World Relief and Development Fund) is inviting Anglicans to contribute to a **Resilience Fund** that will pick up a bit of the slack. An anonymous donor stepped forward to match the first \$250,000 who people contribute. Visit <https://alongsidehope.org/news/anonymous-donor-will-match-gifts-to-resilience-fund-up-to-250000/>
