**Who doesn't know someone in hospital? There's a convenient way to get a cheery greeting to the hospitalized: hospital volunteers deliver it. Folk receiving these notes have mentioned how important they are. Check out:** <https://horizonnb.ca/patients-visitors/send-a-message-to-a-patient/>

**Food Bank** Let's fill those boxes and show gratitude to God by sharing with our neighbour the blessings we have been given.

This coming Sunday (3 August) there will be a **parish communion service** at St John's (9 am) preceded by a **continental breakfast** available from 8.

This coming holiday Monday several folk connected with the parish will be participants in Hartland's "**Heartland Culture on the Green**" event. Hundreds of original artworks will be on display/sale in and about the town Library. Also for that day the Covered Bridge will become a pedestrian mall, with vendors, information tables, etc.

Offerings and donations to the parish by **interact transfer** are now possible. Direct them to [parishofrichmond@outlook.com](mailto:parishofrichmond@outlook.com) If asked to create a security question, ensure that the specified answer is PRAYER (capital letters). In the Comments window, give your name, email address and, if you are a new donor, your postal address. Donations will be directed to the parish's Operating fund unless the donor directs otherwise. Eligible donations generate a tax receipt early in the new year.

There is good news. Last week the steel roof of **St Mark's** became maroon once again, and currently the exterior of **Holy Trinity** is receiving some much-needed renovation with a view to safety and aesthetics. See photos on the parish Facebook. Neither expense had to be met from the Parish's rather fragile Operating fund, which is **very** good news.
