There is good news. Circulating with this week's e-News may be the only located photograph of Richmond Corner's old **St John the Evangelist church**. The photo is on a postcard from about 1904, when the building was 32 years old. The card was spotted and collected by **Ernest Clarke** in St Andrews. Its image was nicely colourized, with roof and siding shingles clearly visible. (When AI was asked about this image, it identified it as St Mark's.)
