Who doesn't know someone in hospital? There's a convenient way to get a cheery greeting to the hospitalized: hospital volunteers deliver it. Folk receiving these notes have mentioned how important they are. Check out: <https://horizonnb.ca/patients-visitors/send-a-message-to-a-patient/>

**Food Bank families** rely on our weekly and monthly generosity.

**There is good news.** The Synod has given the parish permission to add a wooden **accessibility ramp** to the front of St Mark's, built to code. Last week's Vestry approved quotations for its construction, to be covered by the St Mark's Memorial Fund.

This week's e-News gives images from last Sunday's worship setting at **Holy Trinity**. Does any small church accomplish more week by week in making the floral equivalent of a joyful noise unto the Lord.? Notable in the arrangements are scented weeds and an abundance of exotic goatsbeard.
